

Louhaichi Ahmed

MBA Candidate | Business Strategy, Marketing & AI Product Experience

Kuala Lumpur, Malaysia ahmed.louhaishi@gmail.com +60 172746224

PROFESSIONAL SUMMARY

MBA candidate in Digital Leadership (AI engineering background) who has built and scaled multiple ventures with measurable results: grew a platform to **175K+** followers and **8M** monthly impressions, led a 16-person remote team processing **40,000+** files while cutting errors by **50%**, and generated **RM30,000+** in combined revenue across projects. Focused on turning strategy into quantifiable business impact.

EDUCATION

Diploma — Electrical and Mechanical Engineering
HS2 Tunisia | July 2021

Bachelor in Computer Science, Applied Artificial Intelligence
Pristini School of AI | September 2022 – 2025

- Coursework: Machine Learning, Deep Learning, Database Management (SQL & NoSQL), Data Analysis & Visualization
- Joined IEEE and Google Developer Groups

MBA in Digital Leadership

Asia Pacific University (APU), Kuala Lumpur | December 2025 – Present (Expected graduation December 2026)

- Bridging a technical AI/engineering background with business strategy, marketing, growth, and leadership
-

PROFESSIONAL EXPERIENCE

Founder & Digital Operations Manager — Tunisian Artists

Self-founded social media platform for Tunisian artists | 2017 – Present

- Grew the platform from zero to **175K+** Facebook followers and **10K+** Instagram followers, reaching a peak of **8M** monthly impressions (averaging **~3M/month**)
- Collaborated with major names including artist **Yuma** and streetwear/art brand **Cheezwall**, plus fintech company **Flouci** as a commercial sponsor
- Built and led a 5-person editor team; worked with hundreds of artists and **~10** recurring commercial sponsors
- Generated **~RM18,000** in combined sponsorship and merchandise revenue
- Became recognized as **Tunisia's #1 artistic platform page**

Operations Team Manager — Way Connect (France)

Remote | December 2021 – May 2022

- Led a **16-person** remote team processing digital prescriptions for 6 pharmacy clients in France during peak COVID-19 digitization demand
- Authored a process guide that cut team error rate by **~50%**
- Introduced a macro recorder tool that improved processing **performance by ~20%**
- Managed **~40,000+** files at **RM0.69 /file** while consistently meeting deadlines

Founder & Coach — Chess Clubs & National Tournaments

ISET Sousse & Pristini School of AI | 2021 – 2023

- Founded and ran **2 chess clubs**, coaching **~60 students** over time
- Organized 15+ smaller regional tournaments alongside **2 flagship national events**
- Tournament 1 (ISET Sousse): **90 participants**; sponsors included Djerba Chess Festival, Radio Jawhra FM, and EIMS University **RM~6,000** generated
- Tournament 2 (Pristini): scaled to **190 participants (2.1x growth)** and **6 sponsors, ~RM9,000** generated, with radio and social coverage that went viral in the national chess community
- Organization and execution were praised by **international chess arbiters**

Marketing & Business Support Assistant — Milky Way Coffee Shop (F&B)

Part-time | July 2022 – August 2025

- Grew social media following from **350 to 4,000+** in one year (**~11x growth**)
- Built local brand recognition through influencer partnerships and promotional campaigns, driving visible foot traffic growth
- Delivered this while working part-time alongside full-time studies

INTERNSHIPS & PROJECTS

Intern — AIVA (AI Social Robot)

Pristini School of AI | June 2023

- Took on an open-ended challenge to find a new way to promote the university, built AIVA, an AI-powered interactive robot, as an alternative to traditional advertising
- Took the first working demo from concept to reality in **21 days** (hardware + software), after ~2 months of planning
- Features: conversational AI, computer vision via Raspberry Pi HQ camera, animated dual-screen display
- Presented at **6+ events and fairs** (including Wajjahni, BigTech, and others), interacting with **200+ people per event day**
- Became recognized as the university's mascot, regularly mentioned by prospective students during inquiries
- Pristini's student body grew from **16 to 150+** in the years following AIVA's launch, one visible part of the school's broader recruitment and brand growth during that period
- Supported student recruitment campaigns and outreach across digital and physical channels, collaborated with academic and marketing teams

Intern — OratO (AI Wearable for Educators)

Main Lab — Final studies project | January 2025

- Designed and tested an AI wearable device for educators that records lectures, transcribes via OpenAI Whisper, and generates automated summaries and quizzes via GPT-4
- Tested on real classroom lectures across multiple languages, achieving 82% transcription accuracy
- Generated lecture summaries and quizzes in under 2 minutes
- Well-received by lecturers for practical day-to-day usefulness; combined hardware and AI product thinking to address real classroom delivery gaps

Remains a prototype, not yet deployed to real users.

Market & Strategic Analysis — KareerFit

Collaboration alongside MBA studies | 2026 (Ongoing)

- Conducted a market feasibility analysis for KareerFit's expansion into Tunisia
- Analyzed the international expansion strategy of a Malaysian company entering a foreign market, applying global strategic management frameworks

CERTIFICATIONS

- **Google Digital Marketing & E-commerce Professional Certificate** by Google
- **Social Media Content and Strategy** by Adobe
- **Visual Elements of User Interface Design** (California Institute of the Arts)
- **The Power of Statistics** by Google
- **Introduction to Data Analytics** by Meta
- **Collaborate Effectively for Professional Success** by IBM
- **Data Analysis and Visualization with Power BI** by Microsoft
- **Generative AI: Introduction and Applications** by IBM

SKILLS

Business & Strategy

- Digital Transformation
- Business Operations
- Business Strategy
- Market & Feasibility Analysis
- Team Leadership & Operations Management
- Event Management
- Process Improvement

Technology & Tools

- Data Analysis & Visualization (SPSS, Power BI)
- AI Product Development (LLMs, GPT-4, Whisper)
- SQL & NoSQL Databases
- Machine Learning & Deep Learning Fundamentals
- AI Tools for Business
- Content Design
- Excel & Data Analysis
- 3D Design (SketchUp)

Marketing & Growth

- Campaign Coordination
- Partnership Management
- Social Media Strategy & Growth
- Brand Building & Sponsorship Partnerships
- Content Strategy
